About Radiance

We, at **Radiance**, believe that geographical boundaries should not remain a hindrance in obtaining the finest of education. Thus, with the aim to prepare you thoroughly for IIT-JEE /NEET & MHT-CET 2019, we are providing you compiled extensive study material and plenty of questions along with online test series so as to make sure that you gain in-depth knowledge about each topic.

Research & Development (R & D)

A leader always believes in doing things differently and being proactive to face challenges. With the changes in pattern of entrance exams we are more confident of our student's success. Our unique system of DPP and the best of study material designed to cater the requirements of the exams will keep us ahead of the crowd. Our team of expert faculties regularly keeps on updating the study material to suit the requirements of exam. The dedicated team in R & D department thrives to attain success by being the first to adapt to changes.

Study Material

What to study and how to study are two major questions a student has in his mind when he starts the preparation for any exam. The other major issue is where the student will search for the comprehensive content to prepare. Keeping these concerns in mind **Radiance** experts have designed a comprehensive course material which comprises of theory, key concepts, illustrations, practice sheets and tests. The study material is designed keeping the learning curve of the students in mind so that it helps every student to acquire the required knowledge to be successful in her/his endeavour.
